

Appl. No. 10 511 394
Amdt. dated December 6, 2006
Reply to Office action mailed November 8, 2006

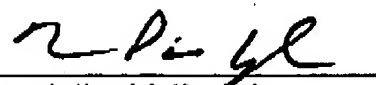

REMARKS/ARGUMENTS

The amendment of claim 9 as shown on page 2 of this amendment was not included in the Examiner's Amendment included in the Notice of Allowance. The undersigned was not able to find a copy of the amended allowed claims through PAIR to see if the amendment was made but not recited in the Examiner's Amendment.

In the event that the amendment (change of "polystyrene" to - styrenic -) in line 6 was not made by Examiner's Amendment, Applicants request that the amendment be entered. This change was included with the other changes discussed with the Examiner and approved by the undersigned.

Respectfully submitted,

AHN ET AL
